

A photograph of two women with dark hair, wearing elegant, sleeveless blue dresses with a shimmering, sequined texture. They are positioned in the center of the frame, looking downwards. The background is a soft, teal-colored wall. The overall mood is sophisticated and artistic.

Harper's BAZAAR

Well-dressed woman and the well-dressed mind

PROFILE

Harper's BAZAAR delivers seductive visuals, intelligent thinking, and a bespoke service element to enhance all aspects of the 21st Century Malaysian Woman's life.

A magazine doesn't last 150 years by standing still. It endures by continually reinventing itself, always striving to delight, inform, and inspire its readers. That is the story of Harper's BAZAAR. We are fashion. Both a visual muse and an unrivalled source of attainable style, we turn the unexpected into the wildly coveted as we have since 1867.

Launched in April 2003, Harper's BAZAAR Malaysia has made its mark as the No. 1 fashion magazine in Malaysia, voted in for seven consecutive years, from 2010 to 2017, by leading advertising agencies and key industrial figures in a survey conducted by Advertising + Marketing Interactive, an independent media source.

BAZAAR delivers a bespoke service element that caters to every aspect of its readers' lives: fashion, beauty, culture, travel, art, and living. BAZAAR is for the stylish, discerning woman, bringing together a perfect mix of fashion, informed arts coverage, authoritative beauty, and strong, smart features

- Maximum Ink Density: 300 TVC in total.
- All images in CMYK format under fogra 39L colour profile (RGB Format not accepted).
- All final material/files are to be sent through the advertisement delivery system together with a DIGITAL PROOF using Biz of RE Sdn Bhd's ICC Colour reference profile (ISO Fogra 39L) for printing reference. The system will check and verify your files based on the print requirement and specification, before being delivered to Biz of RE Sdn Bhd.
- Supplied proofs must have the Biz of RE's GMG colour control bar and Ugra/Fogra the MediaWedge V3 Colour bar with an attached pass/fail sticker indicating compliance.
- By choosing not to supply a DIGITAL PROOF using Biz of RE Sdn Bhd's ICC Colour reference profile (Fogra 39L) with this ad submission, the colour reproduction of the ad will be based on industry standard best practices to achieve colour as accurate as possible from the supplied digital file.
- Biz of RE Sdn Bhd will only take responsibility for accurate colour reproduction if the digital proof is provided using the above standards.
- Biz of RE Sdn Bhd does not repair digital files. Ads containing errors will be returned to advertisers.

After this time, digital files need to be resubmitted via the advertisement delivery system (Digital Transmission). Copy instructions allow us to easily identify your advertisement. It is particularly important to enter the publication/run date, which is the insertion month of the advertisement.

Biz of RE Sdn Bhd requires a minimum of 3mm bleed on the advertisement.

Please ensure that all elements that you wish to print are kept within the text area as indicated in the specifications within digital transmission application.

For TEXT running across a Double Page Spread (DPS), the TEXT must be 10mm away from the gutter on both sides to avoid for the TEXT to be bind into the spine.

Note: Perfect alignment of type or design across the gutter of two facing pages cannot be guaranteed.

Biz of RE will not take responsibility of any text or visual be cropped/bind into the gutter, if the above measurements/instructions are not adhered.

The Material deadline is 5 weeks before publication date, if the material is not received within the deadline, the publisher reserves the right to repeat any previous advertisement of the same size or to fill the space at its discretion.

Cancellation deadline is 6 weeks before publication date. All

specified positions and creative buys are non-cancellable.

If you wish to send a digital ad and/or supply a digital proof but do not have the advertisement delivery system or suitable proofing system installed, please contact our production team/sales team for the list of advertisement delivery system providers at 03-7494 4884.

DIGITAL TRANSMISSION

Biz of RE Sdn Bhd prefers files to be delivered through the Quickcut Network operated by Asia On Time. Quickcut, checks the integrity of files before they are sent to Biz of RE so that your files will print correctly. Biz of RE cannot accept responsibility for or fix files submitted via CD, e-mail or other suppliers.

The Quickcut process delivers problem-free, press-ready files according to publishers' specifications, and has proven to be the most efficient method of receiving and tracking digital ads at Biz of RE Sdn Bhd. Advantages of the Quickcut service are accuracy of file structure and page size, reliability and speed, and the provision of an audit trail. The Quickcut software checks digital files for errors before they are transmitted electronically to Biz of RE Sdn Bhd, ensuring advertisers do not submit files that contain errors and will therefore not print correctly.

For more information regarding Quickcut, please contact: Malaysia Asia On Time
Telephone: +60 (3) 2095 6601 Email: info@asiaontime.com
Website: www.asiaontime.com

Biz of RE Sdn Bhd can only take responsibility for accurate colour reproduction if a digital proof of the supplied digital file is produced using Biz of RE Sdn Bhd's ICC colour reference profiles. Quickcut ICC software allows distribution of Biz of RE Sdn Bhd's ICC profiles to colour separators and advertisers and enables accurate digital proofs to be printed to most digital proofing devices.
Visit <http://www.quickcut.com.au/my/products/quickcuticc.aspx> contact Quickcut directly for more information about Quickcut ICC.

If you wish to send a digital ad and/or supply a digital proof and do not have Quickcut software or suitable proofing system installed, please contact Biz of RE Sdn Bhd for a list of local colour separators who can provide this service.

Biz of RE Sdn Bhd will retain digital ads for 6 months from the last insertion date.

After this time, digital files will need to be resubmitted via Quickcut network.

Accurate copy instructions must be entered within the Quickcut software.

Copy instructions allow us to easily identify your advertisement. It is particularly important to enter the publication/run date, which is the cover date of the title (not the on-sale date).
